Catifa 70

Catifa 70 distills the essence of a lounge chair into a slender, etherial form. Its distinctive, delicate curve creates an intimate space for home or office. Catifa 70 Soft adds comfort and casual elegance to the equation with padded cushions that line the seat and back. Made for both residential and contract use, Catifa 70 can be covered in leather, fabric or customer's fabric.

The base is available in aluminum four-way. The aluminum four-way base version is available with various adjustment mechanisms. Catifa 70 Soft can be upholstered in leather, fabric or customer's fabric. Its shell is made of structural polyurethane while the polished aluminum four-way base is equipped with return and tilt mechanisms. Catifa 70 with four-way base and Catifa 70 Soft are also available with polished aluminum armrests or padded armrests and footrest for maximum comfort.
